# EXPLORE WITH NATIONAL GEOGRAPHIC- Because How You See It Matters

For more than 20 years, the unique collaboration between National Geographic and Lindblad Expeditions has defined modern expedition cruising, connecting travelers with transformative experiences that forge meaningful relationships between people and the planet. Every voyage blends the legendary exploration spirit of National Geographic with Lindblad Expeditions' unmatched 50+ years of expedition heritage.

## SMALL SHIPS THAT TAKE YOU FARTHER

With 12 expedition ships and 11 chartered vessels, the fleet is the largest and most versatile in expedition cruising. Each small expedition ship was designed to take you deeper into the planet's most remote places, while beautifully designed charters bring you to legendary rivers and historic ports, inviting you to explore them in unique ways.

## TAKE GREAT PHOTOS WITH THE PROS

National Geographic photographers have spent decades traveling the globe, capturing the world's most impactful images. They join select expeditions—and a National Geographic certified photo instructor accompanies every departure—to help travelers hone their camera skills in captivating places.

## TRAVEL WITH A WORLD-CLASS TEAM

## EXPLORE YOUR WAY, EVERY DAY

Itineraries feature a range of immersive activities that bring you into the pages of *National Geographic* magazine. All excursions are included, and each expedition offers options for every skill level so that you can explore your way—and at your own pace—every day.

\*Available on select departures.

# LINDBLAD EXPEDITIONS

## REVEALING UNDERSEA WONDERS

On most departures, an undersea specialist brings marine wonders to the surface by capturing and sharing underwater footage. During nightly recaps, the specialist interprets fascinating sea creatures and geological features, offering insights integral to the story of your destination.

## EXPEDITIONS THAT GIVE BACK

Every voyage contributes to the preservation of the planet through the Lindblad Expeditions-National Geographic Fund. Your support helps conserve coastal communities and marine habitats—and it funds explorers from the National Geographic Society who are envisioning bold changes for a sustainable future.

## INSPIRING THE NEXT GENERATION OF EXPLORERS

The National Geographic Explorers-in-Training program nurtures the next generation of global stewards in fun and fascinating places. Certified field educators help connect kids with nature in a deeper way, sending them home with a passion for the planet that lasts a lifetime.

## INCLUSIONS CURATED FOR EXCEPTIONAL VALUE

From excursions and engaging talks to meals, onboard amenities, airport transfers, Wi-Fi and much more—the fleet’s inclusions encompass a full expedition experience.

# BAJA CALIFORNIA

## CHANNELING THE WILD MAJESTY OF ALASKA

Alaska's epic landscapes have long captivated adventurous travelers, but farther south along the Pacific Coast lies another breathtaking wilderness that's often overlooked. For more than 45 years, Lindblad Expeditions has been guiding travelers to the marine wonders and desert isles of Baja California, famously dubbed "the world's aquarium" by oceanographer Jacques Cousteau.

If you've already explored Alaska, or are simply seeking a wild adventure that captures the true spirit of expedition travel, Baja California is an exceptional choice—and it's surprisingly close to home.

## Wildlife

The Gulf of California harbors 39% of the planet's marine mammal species and a third of all cetaceans, making for thrilling—and frequent—encounters. Spot breaching humpbacks, flying mobula rays, curious gray whales and super pods of dolphins.

More wild wonders await on shore and in the skies: nearly a quarter of the peninsula's plant species are endemic, and the remote Isla San Pedro Martir is home to the world's largest colonies of blue-footed and brown boobies.

## Family Travel

Just as on our Alaska voyages, the **National Geographic Explorers-in-Training program** is offered on every Baja California departure, making it an ideal destination for families. Itineraries are thoughtfully designed so every generation can engage with the experience in their own way, while still creating lasting memories together.

## Immersive Exploration

Several of our Alaska expedition ships spend the winter in Baja California—they're specially designed to navigate narrow waterways and reach the remote shores that define the wildest parts of both regions.

Venture to rich waters and uninhabited isles to snorkel alongside playful sea lions; paddleboard or kayak through tangled mangroves and hidden sea caves; and hike among red rock canyons, shimmering white sand dunes and deserts filled with wildflowers.

## People and Culture

Baja California's vibrant culture is a fascinating fusion of Indigenous heritage and Spanish legacy. Explore historic missions; admire colonial architecture; experience traditional dance performances; and savor fresh, local seafood dishes.

Kayaks and paddleboards give you the freedom to explore coastal cliffs and hidden coves, and in places that offer underwater exploration, each guest is outfitted with a full complement of snorkeling gear.

Tiered observation decks provide panoramic views for every traveler—perfect for spotting whales, sea lions and other marine life. With their exceptionally shallow drafts, these vessels can navigate inlets and lagoons beyond the reach of larger ships, granting you rare, up-close access to the Pacific Coast's wildest and most remote corners—like the gray whale nurseries of Baja California and the hidden bays and inlets of Alaska's Inside Passage.

Days are filled with adventure as you kayak, paddleboard and hike amid the region's coastal rainforests or desert isles. Evenings invite connection and reflection in warm, welcoming onboard spaces designed to cultivate camaraderie and the joy of shared discovery.

Read a book in the library, chat with the captain on the open Bridge or simply unwind on the sundeck as the scenery drifts by. Meals are served in an open-seating dining room with unassigned tables for easy mingling, and menus showcase fresh, locally inspired cuisine crafted to celebrate the flavors of your surroundings.
