Additional Hotel Nights—Quito

Depending on your international flight, you can overnight at the convenient Wyndham Quito Airport Hotel instead of the included hotel in Guayaquil at no additional cost.

If you are extending your stay in Quito, you may also swap the one included Guayaquil night on the program—either before or after Galápagos—for a night at Swissotel Quito at no additional cost, or for a night at Hotel Casa Gangotena at a premium. Prices are per person, per night.

Since most flights into Quito arrive late and flights to Galápagos depart very early, we suggest a minimum of two nights to see the city and take advantage of optional excursions. Please allow 60-90 minutes for the 25-mile transfer between the Quito airport and hotels.

Transfers: Transfers are included for flights to/from Galápagos and otherwise at your own expense. A private transfer between the Quito airport and your hotel, which we can arrange for you, is \$95 per person.
